

RESTAURANT FUN FOR THE WHOLE FAMILY

Eating out can be a fun & delicious experience. Having activities to help pass the time while you wait for your food adds to the fun too! Give these classic games a try the next time you go to a restaurant.

20 QUESTIONS

The person with the next birthday goes first as the *answerer* by selecting something in the restaurant that everyone else, the *questioners*, will try to guess. Once the *answerer* is ready, everyone takes turns asking "yes" or "no" questions to try and figure out what the item is. Go around the table until someone guesses correctly. The person who gets the right answer first gets to be the *answerer*. But if 20 questions are asked without a correct guess, the answerer has stumped the table and gets to go again!

WOULD YOU RATHER

Take turns asking each other questions starting with "Would you rather..."

- ...Eat a cricket or eat octopus"
- ...Go to the beach or hike in the mountains"
- ...Jump in a pool of jello or jump in a pool of rice"

Keep going and use your imagination to come up with the most interesting questions!

2 TRUTHS & A LIE

The oldest goes first by saying 2 things that are true and 1 thing that is a lie, not in any particular order. Everyone at the table takes turns guessing which statement is the lie. Whoever guesses the lie first goes next!
