## PACO'S ADDING & SUBTRACTING TO COLOR BY MATH

Art and math are two of Paco's favorite classes in school. He loves when he can mix these two skills together in one activity. Use your own math skills to find out what color to use in each section of the picture below. Color in each section to reveal a new piece of art. What do you think the picture will be?

$7 - 6 =$  

$1 + 4 =$  

$19 - 10 =$  

$9 + 4 =$  

$8 - 6 =$  

$3 + 3 =$  

$11 - 1 =$  

$8 + 6 =$  

$4 - 1 =$  

$2 + 5 =$  

$15 - 4 =$  

$5 - 1 =$  

$4 + 4 =$  

$17 - 5 =$
