

MAKE YOUR OWN USA WINDSOCK

Celebrate your patriotism this Memorial Day with a fun USA craft. Follow these directions to make a red, white and blue windsock! Hang your completed windsock on your front porch, in your back yard, in your room or even from your bicycle handles! Have fun!

1. Gather your supplies:

Toilet paper roll
Blue paint
Paintbrush
Star stickers
Red Streamers
White Streamers
Scissors
Glue Stick
String (6-12 inches long)
Tape

2. Paint your paper roll blue.
3. Add star stickers
4. Cut the red and white streamers into 1-inch wide strips, approximately 10-14 inches long.
5. Apply some glue on the end of the cut streamers.
6. Glue the cut streamers to the inside of the paper roll, placing the streamers all the way around the inside of the roll.
7. Tape your string to the inside of the top of the roll, as shown in the picture.

You are done! Hang your windsock in a place where it can catch a nice breeze!

WHERE WILL YOU HANG YOURS?
